

Well...the results are in!!! I'm sure
by now many of you have been
wondering what the magical
number was for all of the teeth
and hearts that were
inside the jar.

It's the moment you have all
been waiting for...

The winning number for the
Huntsville office was...

525

Teeth & Hearts

The winning number for the
Madison office was...

692

Teeth & Hearts

Our winner for the
Madison office is...

Corey Palm
His guess was 678!

A large, vibrant red heart with a thick black outline is centered on a white background. Inside the heart, the text "Our winners for the Huntsville office are..." is written in a white, serif font, arranged in two lines.

Our winners for the
Huntsville office are...

Tylar Boyd
Her guess was 525!

And Jaylon Mastin
Her guess was 525 too!

Can you believe we had 2 patients
to guess the exact number and it be
the exact number in the jar!!!

A **BIG** thanks to all of our patients
who participated in our contest, and
remember:

Keeping your **TEETH** and **GUMS**
healthy, can help keep your
HEART healthy!
